By Lynne Diebel : Crossing the Driftless: A Canoe Trip through a Midwestern Landscape Crossing the Driftless: A Canoe Trip through a Midwestern Landscape:

0 of 0 review helpful writes beautifully descriptive narrative By N Johnson The author has a wealth of regional geologic knowledge writes beautifully descriptive narrative and gives an honest humorous account of a married couple on a canoe trip Smart and thoughtful the reader will come away with enlightened appreciation for ecosystems in our waterways 1 of 1 review helpful A GREAT BOOK The Driftless Area is the land the glaciers missed an ancient landscape of bluffs ridgetops and steep valleys that long ago was a seabed Covering much of southwestern Wisconsin its contours were deeply carved from bedrock not by ice but by many rivers
Crossing the Driftless is both a traveler's tale and an exploration of this dramatic environment following the streams of geology Engaging multifaceted and accessible Crossing the Driftless is like no other canoe trip book We learn a wealth of information about ecology geology people and politics on the riverways
Mike Svob author of Paddling Southern Wisconsin
