1 of 1 review helpful Text and photography tell an incredible story of survival against all odds By J Chambers Before I read Caroline Alexander s gripping story of Ernest Shackleton s Antarctic expedition I thought the greatest story about survival at sea was Nordhoff and Hall s Men Against the Sea the story of Lieutenant William Bligh and the eighteen men set adrift in an open boat in 1789 by the HMS Bounty mutineers B In August 1914 days before the outbreak of the First World War the renowned explorer Ernest Shackleton and a crew of twenty seven set sail for the South Atlantic in pursuit of the last unclaimed prize in the history of exploration the first crossing on foot of the Antarctic

continent Weaving a treacherous path through the freezing Weddell Sea they had come within eighty five miles of their destination when their ship Endurance was trapped fast in the ice pack. Soo com Melding superb research and the extraordinary expedition photography of Frank Hurley. The Endurance by Caroline Alexander is a stunning work of history adventure and art which chronicles one of the greatest epics of survival in the annals of exp
