**By Fodor's : Fodor's Healthy Escapes, 6th Edition: 248 Resorts and Retreats Where You Can Get Fit, Feel Good, Find Yourself and Get Away From It All** Fodor's Healthy Escapes, 6th Edition: 248 Resorts and Retreats Where You Can Get Fit, Feel Good, Find Yourself and Get Away From It All:

14 of 16 review helpful Fodor's Healthy Escapes By A Customer I purchased this book based on previous experience with Fodor's books. The categories were helpful for a quick determination of the type of facility. The descriptions however seemed more like advertisements from the various facilities rather than informed experiences from the writers. The rates were not up to date and there are no web sites listed. Unbelievable! Want to feel your best? Need to jump start your fitness program? Interested in relaxing and being pampered? Then check out HEALTHY ESCAPES and check into one of the 248 spas and fitness resorts in this guide. You'll find the very best selection in the United States, Canada, Mexico and the Caribbean with critical information on accommodations, dining, costs and facilities. Today's spas all aim to help you reach your potential and take control of your health. Does a trip to the Maruba Resort Jungle Spa in Belize sound appealing? Or the Grand Lido Sans Souci in Jamaica? How about the Breitenbush Hot Springs Retreat in Oregon known as the Esalen of the Northwest with reiki, Thai massage, herbal wraps, hydrotherapy, and more?
