6 of 6 review helpful More PC than I could handle By W D Smith Obviously I am one of the legions that feel their favorite memories of Springlake were minimized or ignored completely but my main displeasure is the revisionist

history found throughout the book I almost completely agree with Mr McDonald concerning the park's demise One minor point I would add is I recall some Black families being as much at fault as From 1924 through 1981 Springlake was Oklahoma City's premier place for fun for everyone around the state Park enthusiast Carla Williams Noffsinger mirrors the comments of so many of the park's patrons when she says "I grew up in Moore. We spent many a happy hour at Springlake. We always heard bad stories about the Big Dipper but that was the first ride we would hit. I remember my cousin wetting her pants once on the Tilt A Whirl we laugh about that."
