Rocks : Canoe Country Pictographs:

1 of 1 review helpful The idea is nice functionally useless however By J Lockard I really like the idea of this book In use however it ended up being useless The descriptions of where the pictographs actually are was incredibly lacking in precision When some of these pictographs are quite faded and the area where the pictograph is rock face is sometime hundreds of meters long your chance of finding these c Scattered across the Boundary Waters and Quetico left by its native people on canvases of stone are hundreds of enigmatic paintings Generations of canoe country travelers have wondered what these mysterious drawings might mean Now in this book award winning author Michael Furtman presents a comprehensive guide to the canoe country rsquo s known pictographs and provides insight into the artists rsquo visions and the traditions that spawned them Complete wi About the Author Michael Furtman is a writer and photographer who often takes as his subject matter the Minnesota wilderness He is an active member of the Izaak Walton League and frequently works with the US Forest Service He has written many other books amon
