For two centuries people have traveled through the mountains of North Carolina to the city of Asheville Early visitors came on foot driving animals to market down the Buncombe Turnpike Later stagecoaches brought wealthy planters

out of the heat of low country summers The railway brought an influx of visitors from all over the country including Northerners escaping cold winters and patients looking for health cures The advent of the automobile made travel even mor About the Author Amy C Ridenour started exploring Asheville history through volunteer work with the Western North Carolina Historical Society Historic Inns of Asheville draws primarily from photographs in the North Carolina Collection at Pack Memorial Library
