viaggio Spanish Missions of Texas (Landmarks):

After the conquest of Mexico by Hernán Cortés in the sixteenth century, conquistadors and explorers poured into the territory of Nueva España. The Franciscans followed in their wake but carved a different path through a harsh and often violent landscape. That heritage can still be found across Texas behind weathered stone ruins and in the pews of ornate, immaculately maintained naves. From early structures in El Paso to later woodland sanctuaries in Abilene, Byron Browne is a writer and teacher living in Austin, Texas, with his wife Angie. He has written on subjects as various as the bullfights in Spain to the viticulture industry in West Texas.
