0 of 0 review helpful Five Stars By Tommy 1515 Great quick read Some neat info on the popular Sunriver resort 0 of 0 review helpful Good summary By Matthew A good honest summary of Sunriver's highlights valuable for the first time visitor or those who have been there a few times Skimpy on some details but those can be found elsewhere Inspired me to explore a few o PLEASE READ BEFORE PURCHASING This book is nearly 5 years old and is very likely outdated given all the wonderful renovations that have taken place at Sunriver If you want a quick cheat sheet on some of the things to do in Sunriver feel free to consider but if you want an updated and detailed description I highly recommend looking elsewhere I now return you to the original description below Nothing feeds the family's soul like time in Sunriver
