By Janet M. D'Angelo : **Spa Business Strategies: A Plan for Success** spa business strategies a plan for success janet m dangelo australia o brazil o japan o korea o mexico o singapore o spain o united kingdom spa business strategies a plan for success goes beyond theory to address the business and marketing strategies that are vital to operating a successful day spa Spa Business Strategies: A Plan for Success:

1 of 1 review helpful Superficial By RLSinSF Only the most inexperienced businessperson will find this book useful The organization and topic selection are great but the individual sections have no depth and are full of platitudes and generalities The information has a top of mind feel and could benefit from some expanded research and expert input more appropriate for a reader that actually runs a spa 0 of 0 review Spa Business Strategies A Plan for Success goes beyond theory to address the business and marketing strategies that are vital to operating a successful day spa Unlike other books that focus on simplistic definitions and technical jargon this user friendly easy to read text takes a more

thoughtful and interactive approach to the subject analyzing the current and future state of the industry explaining fundamental practices in business development and interpreting Great concept A much needed tool for today s Salon Spas Looks like a great idea The outline covers a wide variety of business issues that need to be discussed This text may be a fresh perspectiveI think the product would be benefi
