Bergel : The Spa Encyclopedia: A Guide to Treatments & Their Benefits for Health & Healing** jandj ordered to pay 417 million in trial over talc cancer risks the los angeles superior court jurys verdict in favor of california resident eva echeverria was the msn health and fitness has fitness nutrition and medical information for men and women that will help you get active eat right and improve your overall wellbeing The Spa Encyclopedia: A Guide to Treatments & Their Benefits for Health & Healing:

7 of 7 review helpful Poor choice all around By J L Mulligan This book is not good as a text books for spa treatment

classes nor for self study in treatment protocols I am massage therapist who has a worked in and managed a spa and I teach classes at a local healing arts school I had purchased the book looking to expand our spa treatment class for our students in the massage therapy program I would not suggest this book For advanced courses in spa management holistic health or as a special course in massage programs the authors give a whole body approach to various spa treatments not found in any other book The Spa explains a variety of spa treatments and describes their therapeutic effects on the mind and body of the client Each treatment description lists contraindications and equipment needed and guides professionals and clients step by step through procedures Health care
