**By Carol A Jensen : Byron Hot Springs** wilbur hot springs is a destination resort hotel with the best natural hot mineral springs in northern california the bathing area is private and clothing optional your free guide to byron bay accommodation activities specials festivals markets dining weddings northern nsw info and more with byrons leading website Byron Hot Springs:

0 of 0 review helpful Interesting Book By G McKinney It is an interesting book with the history of a unique place It is definitely a picture book light on actual history and heavy on photographs I would have liked more written history of the place Most of the history is about the people behind it and descriptions of the different buildings and incidents that occurred there is somewhat lacking But overall a good read Byron Hot Springs is sometimes called the Carlsbad of the West after the famed European health spas The resort hosted the famous the wealthy the infirm and the curious alike during the early 20th century The 160 acre property in eastern Contra Costa County near the San Joaquin River featured three grand hotels designed by renowned San Francisco architect James Reid Amidst this stylish backdrop were prominent guests in 19th century finery early Hollywood royal About the Author In these pages Byron Hot Springs historian Carol A Jensen shares the amazing story of one of California's most dramatic resorts through vintage photography and stories Drawing from the East Contra Costa Historical Society Resource Room history
