## The Deadly Shipwrecks of the Powhattan & New Era on the Jersey Shore (Disaster):

1 of 1 review helpful A Very Well Written and Researched Book By christine hooker I was given this book by a high school friend who is related to the author I love history and disasters so this book was right up my alley It was well researched and written as well as filled with information As a non mariner some of the language was a bit over my head but I could follow it in context I could almost put myself on the stor In 1854 two horrendous shipwrecks took place off the New Jersey coast The Powhattan and the New Era were both American flag sailing packet ships carrying hopeful European immigrants to new lives in America The ships ran aground on the offshore sandbars along the shoreline between Sandy Hook and Little Egg Inlet claiming the lives of many passengers and crew The staggering casualties finally prompted calls from the public and politicians for reforms to the system for About the Author Timothy Dring is a retired commander in the U S Naval Reserve He is the co author of American Coastal Rescue Craft which won the best history book award from the Foundation for Coast Guard History in 2010 Commander Dring is on the board of
