0 of 0 review helpful OK but not great book By John Average coffee table book I expected a better quality of ink and paper As for photography it s quite good but not unique Basically it s a catalogue of Design Hotels properties in a

book format Yet it lacks book content as it's basically pretty much the same information which you can find online I was hoping to read more personal unique less commercial material The newest edition of The Design Hotels trade Book offers striking accommodations for the eye and inspiration for the spirit Each edition of the much anticipated Design Hotels trade Book details the company's stunning portfolio of one of a kind handpicked hotels The book includes exquisite photographs of bold new hotels and design legends and stories of the Original hoteliers who brought them to life The Red Dot Design Award and a Special Mention for
