**By Veronica Fajardo : Spa: Beauty, Health & Design** we would like to show you a description here but the site wont allow us jacqui has over 35 years of experience in the spa wellness and beauty industry under her belt 16 of those here in the middle east during her career jacqui has had Spa: Beauty, Health & Design:

3 of 3 review helpful Pretty vacant By Michael A Duvernois The photography is extremely good but the whole package heavy paper photos and text was empty and clinical Is that what folks are looking for in a spa I m not sure but the book left me cold 1 of 1 review helpful Excellent Book for an Architecture of Interior design student By Love to Read I used this bo Spas are no longer a luxury item Today they attract an ever wider public including architects and interior designers many of whom view these spaces as the new temples of the modern era Far from being simply for

hedonistic purposes spas are often viewed as holistic health centres where physical and mental health combine as the whole organism is encouraged to relax and cleanse. With the successful presentation of these concepts as a valued parenthesis in the stressful From the Inside Flap Split into three sections country spas mountain and seaside spas and urban spas this book shows 39 of the most amazing and attractive therapy and relaxation centres around. Not only is there a vast range in appearance calm country hou
