0 of 0 review helpful Aaahhhhh what a great book By A Customer You can t really tell this from a website but its a woman s dream for a book The cover is made of this rubberish material with the words from the cover almost engraved or pressed into the book Really creative Inside holds the secrets of the bests spas all over the world and

reading it you just HAVE to figure out how to get to these places so you can feel Great Spa Escapes sets out to discover the very best of what is on offer in every corner of the world It does the groundwork for the time poor and careworn examining the spas their environment their setting their ambience their architecture their food and their therapies showing the way to the Great Escapes for pampered bodies and carefree minds This is the book that I would want to frequently refer to and one that would lend itself to being carted around in a From the Inside Flap Do you know the difference between a shiatsu and taksu massage and where to find the best ones Do you need to know the best place for aromatherapy treatments and where to find the most effective thalassotherapy spa Do you want to track do
