**By Leonard Kinsey : Habst and the Disney Saboteurs** Habst and the Disney Saboteurs:

7 of 8 review helpful Amazing My Favorite Disney Fiction By Far By S Coleman Where to begin Bamboo Forest Publishing and Leonard Kinsey once again knock it out of the park with this one Much like their other books I couldn't put it down While intriguing throughout it still has an ease of reading to it that I've come to associate with Kinsey's and other BFP books Starting and continuing through the story with back Meet Reginald Habst Habstermeister burnout urban explorer and loveable loser Leeching off his oversexed and underage girlfriend and living the life of luxury in her wealthy mother's mansion he doesn't have a care in the world But when Habst unwittingly becomes the prime suspect in the sabotage of Walt Disney World's most hated attractions he has no choice but to enter a seedy web of Darknet intrigue in order to clear his name One part comedy
